### **México Republicano Stands with the Truth: Nicolás Maduro Is a Narcoterrorist**

*Mexico City, July 28, 2025*

The México Republicano Movement fully supports the recent decision by the government of the United States of America to designate Venezuelan dictator Nicolás Maduro as a **narcoterrorist**. This designation is backed by years of investigations and evidence revealing the Venezuelan regime's complicity with drug trafficking, organized crime, and armed groups operating both inside and outside Venezuela.

This is not a mere political stance, but an act of justice and international responsibility. The Venezuelan people have suffered under an authoritarian regime that has dismantled democracy, persecuted the opposition, created an unprecedented humanitarian crisis, and turned the Venezuelan state into a tool of organized crime.

We call on the government of **Claudia Sheinbaum** to **immediately sever all diplomatic and political ties** with the Maduro regime. Mexico cannot maintain relations with a dictatorship that has been implicated in international drug trafficking and terrorism.

We demand that Mexico take a clear, courageous, and principled stand on the side of freedom, justice, and the dignity of Latin American peoples. **Neutrality in the face of crime is complicity. Silence in the face of oppression is betrayal.**

Mexico must join international efforts to help the Venezuelan people reclaim their sovereignty, their democracy, and their dignity.

**Mexico stands with a free Venezuela!**

**Mexico stands with the truth!**

**Liberty. Greatness. Strength.**

Sincerely

**Juan Iván Peña Neder**
