

## STATEMENT FROM MEXICO REPUBLICAN

Mexico City, September 11, 2025

Following the tragic accident on the Concordia Bridge, the Mexico Republican Party expresses its deepest solidarity with the victims and their families. In this moment of grief, we stand with those who have lost loved ones and with those facing injuries or lasting consequences from this tragic event.

At the same time, we issue a firm call to the competent authorities to conduct a thorough, transparent and prompt investigation to clarify the causes of the accident. Citizens have the right to know whether omissions, negligence or responsibilities contributed to this tragedy.

We reiterate that the safety of all Mexicans must come before any political or bureaucratic interest. Trust in our institutions is strengthened through truth, justice and accountability.

The Mexico Republican Party will remain attentive to the progress of the investigations and, as always, alongside civil society to demand a safe, just country with responsible authorities.
