

Official Statement of Mexico Republicano

Subject: Strong Condemnation of the Attack on Charles “Charlie” Kirk

Mexico City, September 10, 2025

The Mexico Republican Party extends its deepest condolences to the family, friends, and supporters of Charles “Charlie” Kirk following the brutal attack that took his life during a public event in Utah.

This act of political violence is an affront to freedom of expression and to the democratic values we uphold. Charlie Kirk was a committed activist, a promoter of youth participation in public life, and a prominent figure in the American conservative movement. His assassination causes deep consternation and demands serious reflection on the state of ideological violence.

We state the following:

1. **Absolute rejection of any act of political violence.** In a democratic state, differences must be resolved through debate and respect, never through bullets or intimidation.
2. **Demand for justice.** We call on the competent U.S. authorities to investigate swiftly and effectively and to prosecute those responsible to the fullest extent of the law.
3. **International solidarity.** We express our solidarity with the family of Charlie Kirk, with his supporters around the world, and with the organization Turning Point USA.
4. **Renewed commitment to freedom of expression and thought.** This tragic event reminds us of the fragility of our democratic rights, which we must firmly preserve.

Conclusion:

Violence against opinion leaders cannot be tolerated or justified. The Mexico Republican Party reiterates its commitment to a democracy based on words, dialogue, and the protection of those who dare to inspire and participate. Only in this way will the values of freedom and civility prevail over fear.

Sincerely,
Freedom. Greatness. Strength.
